

COLORFILL

FLOOR REPAIR PUTTY

Permanent repairs to floors and other hard surfaces are easy!

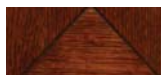

ColorFill hard surface repair putty is formulated to make long-lasting repairs to laminate, wood, vinyl, tile, stone, etc.

- Dries quickly: touch-dry in just 15 minutes
- Less shrinkage: multiple coats can be applied in minutes
- Easy cleanup:

will not stick to wear layer

- Virtually invisible: dries to match floor
- Scuff resistant and hardens to same strength as the floor or harder
- Stain-proof: passes the red wine test!

FOR USE ON
Pre-finished wood flooring

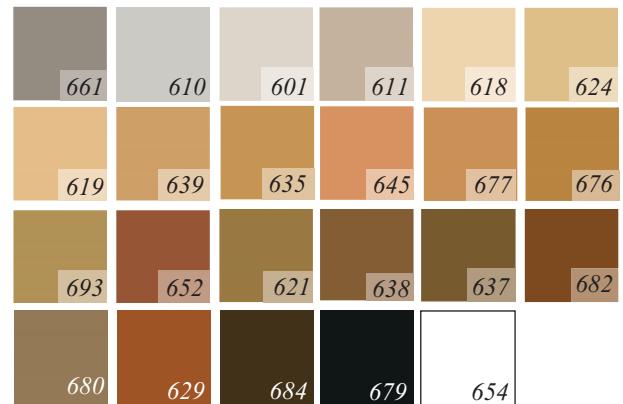

Laminate and engineered flooring

Tile and stone

Furniture
