

CAL FLOR

SOLUTIONS FOR YOUR FLOORS

CLICKSEAL® JOINT SEALANT

Guard floors against moisture damage!

ClickSeal offers triple protection!

1. Seals and protects the joint
2. Coats the seams
3. Penetrates the core

Rigorous testing has proven that proper use of ClickSeal leaves floors virtually waterproof through this unique blend of wax and oil.

Ideal for bathrooms, kitchens, entries!

- Prevents joint swelling
- Quickly and easily apply during installation: apply a bead to tongue of plank, then click together
- Unlike glues, ClickSeal allows plank to expand & contract
- Planks can be removed and replaced at any time
- For both commercial and residential use
- One 2.7 oz. tube will cover 50-60 sq. ft. of flooring
- ClickSeal can also be used to prevent or eliminate noisy, squeaking floors

FOR USE ON
Floating floors
Laminate, engineered or cork flooring

Right: Before installation, quickly seal floor joints. Use ClickSeal after installation to fix squeaky floors.

Left: ask about our convenient counter displays..
